

REMARKS

Review of the Form PTO/SB/08A filed on June 23, 2004 in this application has brought to our attention that publication EP 0 352 248 A1, to Medivir Aktiebolag, was inadvertently left off the listing of references. This reference was submitted to the USPTO in an Information Disclosure Statement filed in the parent of this case, U.S. Application No. 10/061,128, now U.S. Patent No. 6,911,424 and was thus in the Examiner's possession during prosecution of the present case. Although a copy of the document was submitted in the parent application, a copy is enclosed herewith for the Examiner's convenience. Applicants respectfully request that the Examiner initial the enclosed Form PTO/SB/08A to provide a record that this document was known to the Examiner during prosecution of the claims.

Entry of this amendment is respectfully requested. The Commissioner is authorized to charge any fee associated with this Amendment, as well as any other deficiency, to Deposit Account 11-0980.

Sincerely,

/SH/
